

Hey 🙌

Thank you for downloading Ellie, a free HTML landing page designed and developed by [@pacovitiello](#) and [@DavidePacilio](#), co-founders of [Cruip.com](#)!

What's Cruip.com?

Cruip is a gallery of free HTML landing pages for startups. Our aim is to help makers and early-stage startups with high-quality templates to enhance the design standards of their next big project.

Need a custom solution?

If you're looking for a multipage website or brand new landing page, contact us and we'll be glad to help.

Have questions?

If you've any kind of question or suggestion please feel free to reach us out at hello@cruip.com.

Enjoy Ellie,
